સનાતન ધર્મની જય / Sanatan Dharm ni Jay

દિનાંક / Date: 16-Sep-2024

This is souvenir of 1st Sanatani Adhiveshan of Kutch Kadva Patidar community, in which only the members exclusively following Sanatan Hindu Religion were invited.

This assumes importance, in light of the fact that, all earlier such events which include all adhiveshans i.e., 3 adhiveshans under the leadership of Narayan Ramji Limbani and 5 adhiveshans under the leadership of Shri Akhil Bharatiya Kutch Kadva Patidar Samaj were held of all people belonging to Kutch Kadva Patidar community. Which means people following Pirana Satpanth, a branch of Shia Islam, also participated in the adhiveshan.

This is the 1st Adhiveshan of Sanatani (i.e., Non-Satpanthi) members of KKP community. This event marks the first major independent action by Kutch Kadva Patidar Sanatan Community, which till date had been largely silent in pressing its separate identity, i.e., separate from people following Satpanth religion.

This event also is very important from point of view that the doors of this community were more or less closed for the people following Satpanth religion.

This step is very important as it marks the beginning of the end of the GharWaapsi process (the home coming process) to Sanatan Hindu religion, leaving people behind who are not willing to take the bus.

Special attention of the researchers is invited to the three articles in this book.

1. Sanatani Sadinu Safarnamu (Page 17)
2. Pratham Sanatani Adhiveshanni Falshruti (Page 120)
3. Gyatina Reet Rivajo (Page 144)

A detailed depth study of these articles will make the reader understand how a community got religiously converted to Hinduism from Islam and how it ensures that this conversion to Hinduism is permanent and final. These articles also cover the aspects about the deeply

clandestine attacks it faces and deep-rooted conspiracy to reconvert it back to Pirana Satpanth from the followers of Satpanth and what steps it has taken to protect itself and its people.
